

Arden®

MADE IN GERMANY

DESIGNED FOR THE WORLD

JAGUAR XK/XKR

since 1972

Aerodynamic & Design

The Arden body modification give your JAGUAR even sportier and more elegant lines. Arden aerodynamic parts made of carbon fibre composite have been developed by an experienced design team to improve the driving dynamics and active safety of your XK.

AAK 90001 3 Arden AJ20 body kit € 11.600,00

Consists of totally new front and rear valances, striking side sills, new side air vents, stainless steel front and radiator grills, rear lights cover

Installation and painting € 2.900,00

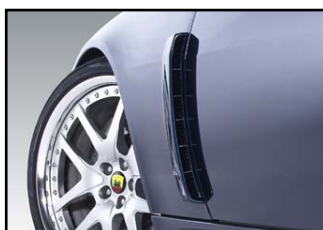

AAK 90004 3 Arden boot lid spoiler € 1.200,00

For better pressure to the rear axle with integrated brake light

Installation and painting € 450,00

Made of Carbon € 650,00

AAK 90006 3 Side Air Vents € 950,00

(Only together with AAK 90007)

Installation and painting € 650,00

since 1972

AAK 90007 3 Integrated Indicators *

€ 480,00

Additional indicators integrated into the Rearview mirrors.
Only in combination with AAK 90006

Installation and painting

€ 150,00

AAK 90020 2 Arden Window Tinting *

€ 2.800,00

All windows can be tinted individually.
Individual tinting colours possible.
Premium tinting process - No foil is used!

Includes installation

AAK 90021 2 Rear Light Tinting *

€ 520,00

Just like the Window Tinting, you can choose between various tinting intensities.

AAK 90008 3 Rear Light Cover

€ 480,00

incl. installation set

Installation and painting

€ 150,00

since 1972

* These positions can only be installed at the Arden plant in Krefeld.

** Only for Export.

AAK 90003 4 Arden Steel Front Grille € 410,00
hand made in exclusive stainless steel mesh

Installation € 80,00

AAK 90002 4 Arden Stainless Steel Radiator Grille € 770,00
hand made in exclusive stainless steel mesh

Installation € 80,00

AAK 90010 4 Arden Air-Vent Bonnet € 2.300,00
For better air ventilation
For aspirated engine (XKR optic)

Including installation and painting in vehicel color

Additional charge for carbon fibre vents € 650,00

AAK 42007 0 JAGUAR Hood Ornament € 235,00
Chrome-plated. For installation on the hood.
Patented safety fastening. With TÜV certificate.
Supplied complete with high quality gift box.

Installation 35,00

AAK 85000 4 Arden Decoration Stripe € 70,00
Choices in silver, gold or black

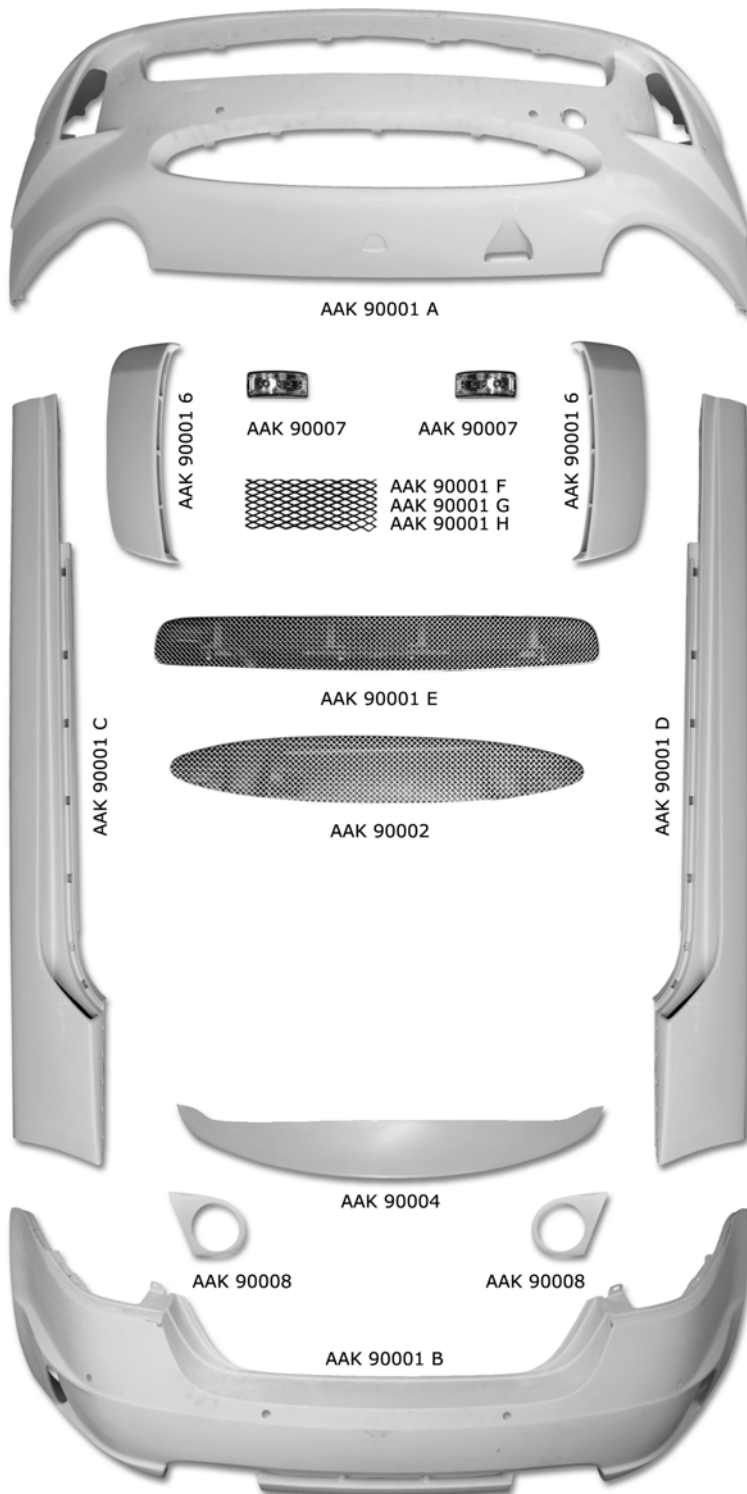

AAK 90011 1 Engine Bay Customisation * € 1.950,00
Consists of carbon covers for and special coatings
of numerous engine parts and accessories.

Includes installation

Arden Jaguar XK AJ 20 Bodykit

AAK 90001 A
Front Apron

AAK 90001 B
Rear Apron

AAK 90001 C
Side Skirt, left

AAK 90001 D
Side Skirt, right

AAK 90001 E
Front Apron Grille

AAK 90001 F
Mesh Grille Front Apron

AAK 90001 G
Mesh Grille Rear Apron

AAK 90001 H
Mesh Grille Side Skirts

AAK 90002
Radiator Grille

AAK 90004
Rear Spoiler

AAK 90006
Side Air Vents

AAK 90007
Door Mirror Indicators

AAK 90008
Rear Light Surrounds

since 1972

* These positions can only be installed at the Arden plant in Krefeld.

** Only for Export.

Wheels and Tires

The split-rim and conventional Arden light-alloy wheels are specifically matched to the JAGUAR XK/XKR and lend a sporty yet elegant appearance. Arden light-alloy wheels are manufactured in OEM quality. This guarantees ideal roadholding and excellent running smoothness.

AAK 90101 9 3-Piece Arden Sportline Alloy Wheel, Forged, 9 J x 21", front axle € 1.400,00

for 255/30 ZR 21 tyres.

AAK 90102 9 3-Piece Arden Sportline Alloy Wheel, Forged, 10,5 J x 21", rear axle € 1.600,00

for 295/25 ZR 21 tyres

AAK 90103 9 3-Piece Arden Sportline, Complete Alloy Wheel Set, Forged € 7.500,00

Front axle 9 J x 21" with 255/30 R 21 tyres
Rear axle 10,5 J x 21" with 295/25 R 21 tyres

AAK 21186 2 Arden Air Pressure Control System € 550,00

The system checks the air pressure and temperature in all four tyres. The readings are made by sensors every 3.4 seconds. All relevant information is shown on an inboard display.

Installation € 240,00

Aerodynamic and Design Parts are patented or design copyrighted.
All prices exclude VAT and ex factory Krefeld.

since 1972

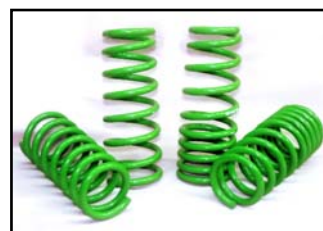

Suspension

Arden suspensions for the JAGUAR XK and XKR are developed specifically for these cars and are tested extensively under extreme conditions on the racetrack and in everyday traffic. Arden sport suspensions, developed in cooperation with BILSTEIN, offer a sporty yet comfortable ride. Installation of an Arden suspension kit lowers the coupé or cabriolet about 25 millimeters.

AAK 90131 4 Arden Sport Lowering Kit € 560,00

Arden sport springs lower the car about 35mm (~ 1,5 inch). Using the factory shock absorbers, the driving comfort remains unchanged. Also compatible with C.A.T.S.

Installation € 490,00

AAK 90132 3 Arden Sport Suspension with C.A.T.S. € 2.350,00

Arden sport springs combined with sport-related shock absorbers developed together with BILSTEIN. The electronically regulated Arden Sport Suspension offers sporty dynamic handling of the highest technical level.

Installation, including electronical wheel alignment € 600,00

AAK 90133 4 Arden Wheel Spacers for Standard Wheels € 450,00

Track width enlargement of 30 mm per axle. Complete set for FA + RA. (not available for 20" or 21" wheels)

Installation € 80,00

since 1972

* These positions can only be installed at the Arden plant in Krefeld.
** Only for Export.

Braking System

The Arden high-performance braking system for the Arden XK/XKR offers exceptional deceleration and shows no signs of fading even under the toughest conditions. The use of this braking system in combination with the original wheels must be individually assessed.

AAK 90181 1 High-Performance Braking System

€ 12.500,00

Complete braking system made from wear-resistant high-strength material.
Consisting of:

- Front axle: 2 six-piston fixed caliper brakes,
2 ventilated and drilled brake disks, Ø 390 mm
- Rear axle: 2 four-piston fixed-caliper brakes,
2 ventilated and drilled brake disks, Ø 340 mm
- All adapters and steelflex brake hoses.

Installation

680,00

AAK 90180 1 High-Performance Braking System - Front Axle

€ 6.900,00

Braking system for the front axle, made from wear-resistant high-strength material. Consisting of:

- Front axle: 2 six-piston fixed caliper brakes,
2 ventilated and drilled brake disks, Ø 390 mm
- All adapters and steelflex brake hoses.

Installation

300,00

since 1972

Exhaust System

Arden sport rear silencers and exhaust system are completely made of high quality stainless steel, which are precisely tuned for the JAGUAR XK engine. Arden exhaust systems create a more powerful sound without being obtrusive. A lower back exhaust pressure optimises the power output.

for Jaguar XKR

AAK 90202 4 Arden Sport Silencer € 1.900,00

High Performance Sport Silencer Set with double high gloss polished stainless steel pipes. Due to the enlargement of the cross section of the tube as well as a significantly improved exhaust back pressure, this stainless steel system offers you a sportive and unobtrusive sound spectrum in combination with a more powerful outer appearance. (By request this sport silencer set can later be enhanced to a complete Arden High Performance Exhaust System).

Installation € 80,00

AAK 90204 3 ** Arden High Performance Exhaust System € 4.100,00

This system, completely made of stainless steel, includes center and rear sport silencers together with sport catalytic converters. Due to enlargement of the cross section of the tube as well as a significantly reduced back pressure, this system offers a power increase of approx. 25 hp. With its quad chromed tail pipes this system underscores the sportive character by means of a typical V8-sound spectrum.

Installation € 240,00

since 1972

* These positions can only be installed at the Arden plant in Krefeld.

** Only for Export.

for Jaguar XK

AAK 90201 4 Arden Sport Silencer (Set) € 1.750,00

High Performance sport silencer set with 2 oval-shaped chrome tail pipes. Due to the enlargement of the cross section of the tube as well as a significantly improved exhaust back pressure this stainless steel system offers you are sportive and unobtrusive sound spectrum in combination with a more powerful outer appearance. (By request this sport silencer set can be enhanced to a complete Arden High Performance Exhaust System).

Installation € 80,00

AAK 90203 4 ** Arden High Performance Exhaust System € 3.950,00

This system, completely made of stainless steel, includes front, center and rear sport silencers, as well as sports-catalysts. Due to the enlargement of the cross section of the tube as well as a significantly reduced exhaust back pressure, this stainless steel system offers you a power increase of approximately 23 HP. The system underscores the sportive character by means of a typical V8-sound spectrum.

Installation € 240,00

AAK 90205 4 Arden Sport Silencer Set € 1.900,00

High Performance Sport Silencer Set with double high gloss polished stainless steel pipes. Due to the enlargement of the cross section of the tube as well as a significantly improved exhaust back pressure, this stainless steel system offers you a sportive and unobtrusive sound spectrum in combination with a more powerful outer appearance. (By request this sport silencer set can later be enhanced to a complete Arden High Performance Exhaust System).

(The XKR difusor blind is necessary when using this system for the XK model)

Installation € 80,00

AAK 90204 3 ** Arden High Performance Exhaust System € 4.100,00

This system, completely made of stainless steel, includes center and rear sport silencers together with sport catalytic converters. Due to enlargement of the cross section of the tube as well as a significantly reduced back pressure, this system offers a power increase of approx. 23 hp. With it's quad chromed tail pipes this system underscores the sportive character by means of a typical V8-sound spectrum.

(The XKR difusor blind is necessary when using this system for the XK model)

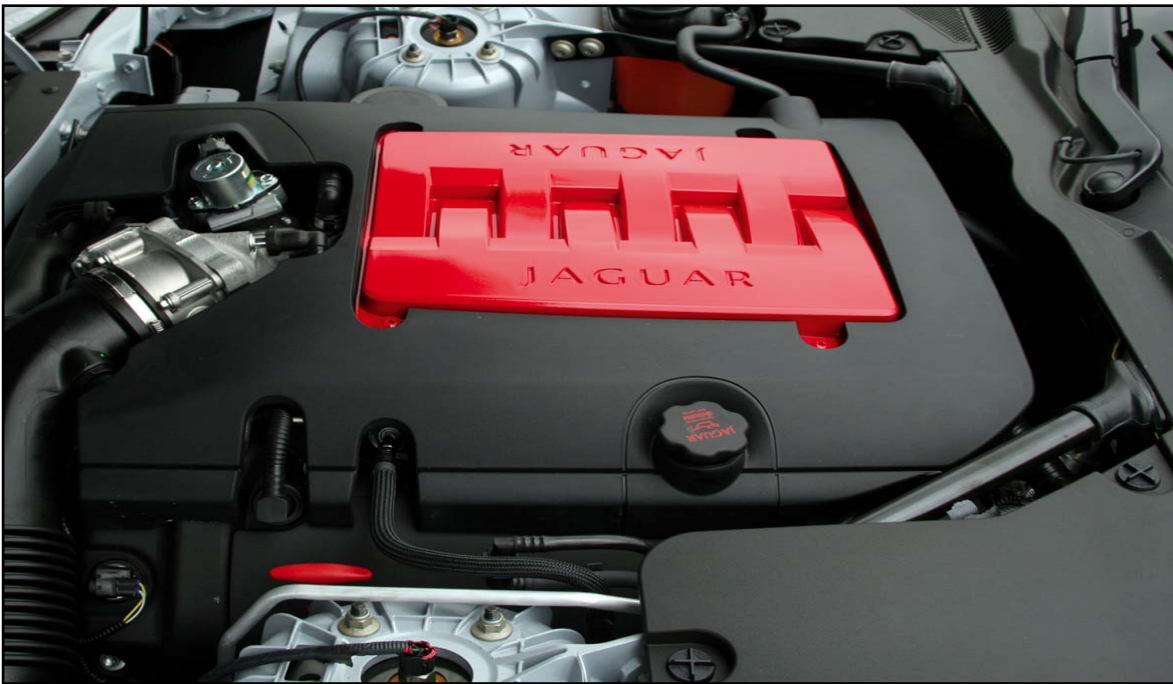

Installation € 240,00

AAK 90210 4 XKR difusor blind € 40,00

since 1972

Engine Tuning for Jaguar XK

*Decades of tuning experience have earned Arden a worldwide reputation.
The same know-how goes into all Arden high-performance engines.*

AAK 90204 3 ** Arden High Performance Exhaust System € 4.100,00

This system, completely made of stainless steel, includes center and rear sport silencers together with sport catalytic converters. Due to enlargement of the cross section of the tube as well as a significantly reduced back pressure, this system offers a power increase of approx. 25 hp. With its quad chromed tail pipes this system underscores the sportive character by means of a typical V8-sound spectrum. (The XKR difusor blind is necessary when using this system for the XK model)

Installation € 240,00

AAK 90210 4 XKR difusor blind € 40,00

AAK 90207 1 ** Arden Exhaust manifold € 2.800,00

Arden High Performance exhaust manifold

Only in combination with AAK 90204

(Export only)

Installation € 950,00

* These positions can only be installed at the Arden plant in Krefeld.

** Only for Export.

Engine Tuning for Jaguar XK

The Arden engine development department has created powerful and yet suitable for every day use performance tunings for the JAGUAR XK/XKR.

AAK 90251 1 ** Arden AJ 8 S3 Performance Tuning for XK with increased engine capacity up to 4.5 litre € 28.500,00

Power increase of approx. 80 hp

max. torque increase of approx. 70 Nm

More engine capacity through special crankshaft with forged, lighter pistons and connecting rods.

Optimized oil-circulation system and cooling.

Optimised engine management strategy.

Arden high performance exhaust system with sport catalytic converters.

AAK 90255 1 ** Arden Additional ECU for Vmax deregulation € 1650,00
Deactivates the factory-set speed limit of 250 km/h.

Installation

€ 160,00

(We recommend our High Performance Exhaust System AAK 90203 together with this ECU)

since 1972

Engine Tuning for Jaguar XKR

AAK 90252 3	Arden Additional ECU for XK-R	€ 3.400,00
	Additional Engine Control Unit. Power increase of approx. 30 hp, Torque increase of approx. 50 Nm	
	Installation	€ 320,00
AAK 90253 3 **	Arden AJ 8 S1 Performance Tuning for XK-R	€ 6.800,00
	Power increase of approx. 40 hp / 29 kW through Arden Engine Control Unit combined with the Arden High Performance Sport Exhaust System and sport catalytic converters	
	Installation	€ 470,00
AAK 90254 2 **	Arden AJ 8 S2 Performance Tuning for XK-R *	€ 12.700,00
	Power increase of approx. 55 hp max. torque increase of approx. 60 Nm through increased boost pressure and optimized fuel system. Full high performance exhaust system with catalytic converters. Additional Engine Control unit with specially programmed engine management strategy. This system provides a much better throttle response combined with a fantastic sportive V8 sound.	
	Installation	€ 650,00
AAK 90256 1 **	Arden AJ 8 S3 Performance Tuning for XK-R *	€ 32.000,00
	Power increase of approx. 90 hp max. torque increase of approx. 100 Nm Increased engine capacity up to 4.5 litres through special fabricated crankshaft, connecting rods and pistons. Optimized boost pressure, fuel and intercooling system. High performance sport catalytic converters with full exhaust system. Re-programmed ECU with special engine management strategy. Including switched off speed limiter.	
AAK 90255 1 **	Arden Additional ECU for Vmax deregulation	€ 1650,00
	Deactivates the factory-set speed limit of 250 km/h.	
	Installation	€ 160,00

(We recommend our High Performance Exhaust System AAK 90203 and the Engine Tuning AAK 90252 or AAK 90253 together with this ECU)

* These positions can only be installed at the Arden plant in Krefeld.

** Only for Export.

since 1972

Engine Tuning for Jaguar XKR

AAK 90258 3 ** Arden AJ 8 S4 power upgrade *

€ 49.500,00

Power upgrade up to approx 550 hp and clear torque increase
With increased engine capacity to 4.5 litre using a special
manufactured crankshaft and connecting rods. With improved
oil circulation and cooling.

High Performance Supercharger, High Performance exhaust
system with sports metallic catalytic converters, adjustment
of the engine control unit and de-activating the factory fitted
speed limiter.

AAK 90257 3 ** Arden High-Performance Supercharger (Kit)

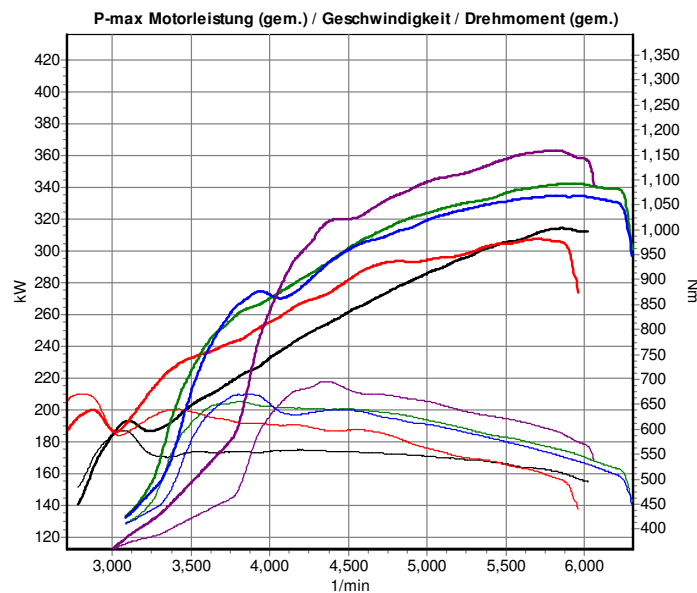

€ 22.500,00

Power upgrade up to approx. 460 hp achieved by increased air
boost without increase in engine revs. and therewith greatly
improved efficiency as compared to the standard compressor.

The kit comprises of:

- High performance twin screw supercharger
- Fitting parts from high quality aero aluminium
- Adjustment of the engine control unit
- Arden High Performance exhaust system
with sports metallic catalytic converters

Interior

For decades the Arden upholstery department has met the highest precision standards and has fulfilled the wishes of JAGUAR drivers all over the world. Arden also offers for the XK, a wide range of attractive accessories and a great number of variations from full leather equipment in all colours, types and exclusive designs.

AAK 90381 1 Arden Altered Upholstery for Driver Seat * € 640,00

With genuine Connolly leather. Improves lateral support and extended leg support. Made to measure. Please include your height and weight.

Includes installation.

Also available for passenger seat.

AAK 90382 4 Arden Seat Rail Extensions** € 980,00

Extension of Seat Rails by approx. 25 mm

AAK 90383 5 Arden Mats € 770,00

With Arden logo. Colour matched, with initials by request.

AAK 90012 4 Arden Treadplates (Pair) € 1.250,00

Polished stainless steel. With Arden script nameplate.
Installation

€ 80,00

AAK 90013 4 Arden Treadplates (Pair) € 1.850,00

Polished stainless steel. With illuminated Arden logo.
Installation

€ 200,00

* These positions can only be installed at the Arden plant in Krefeld.

** Only for Export.

Arden®

For the interior of your JAGUAR XK Arden offers precious wood elements as a compliment to the wooden equipment supplied by the manufacturer, or a choice of carbon elements. In addition Arden carries out customer requests - interior decors made from precious wood of various types.

AAK 90321	1	Arden Precious-Wood Gear-Lever Grip *	€ 200,00
		For automatic transmission. With initials by request.	
		Installation	€ 20,00
AAK 90322	1	Arden Precious-Wood Shift-Gate Surrounds *	€ 450,00
		Installation	€ 40,00
AAK 90323	1	Arden Precious-Wood Centre Console Lid *	€ 650,00
		Installation	€ 40,00
